

**SCHOOL DISTRICT OF THE CITY OF ALLENTOWN**

**High School Students End-of-Year Schedule  
and  
Newcomer High School (9-12) Student End-of-Year Schedule  
2018-19**

As a reminder for all of us, the state standards for instructional time in the school year are 180 days and 990 hours. Also, the state now audits schools individually (not by the average of elementary, middle, or high schools' instructional time). If a school would not meet the state's minimum requirements, my office would adjust the schedule to insure compliance to state requirements.

Some examinations are given in the classroom over several days. However, below please find the daily hours prescribed for the end of the year. Schools may choose which subjects are given on any given day, as long as students are having course assessments during each day listed. Please remember to notify all constituencies.

**SENIORS**

Monday, June 3 -Thursday, June 6	<b>Senior Exams (in class)</b>
Thursday, June 6	<b>Last Regular Class Day for Seniors</b>
