PENNSYLVANIA YELLOW DOT PROGRAM

This program assists citizens in the “golden hour” of emergency care following a traffic accident when they may not be able to communicate their needs themselves. Placing a Yellow Dot decal in your vehicle’s rear window alerts first responders to check your glove compartment for vital information to ensure you receive the medical attention you need. The program is a cooperative effort between PennDOT, the Department of Health and Aging, the State Police, the Turnpike Commission, first responders and local law enforcement.
